BEATTY'S TOUR OF THE WORLD.

Ex-Mayor Daniel F. Beatty, of Beatty's Celebrated Organs and Pianos, Washington, New Jersey, has returned home from an extended tour of the world. Read his advertisement in this paper and send for catalogue.

BEATTY

EX-MAYOR DANIEL F. BEATTY.
From a Photograph taken in London, England, 1889.

Dear Sir:—We returned home April 9, 1890, from a tour around the world, visiting Europe, Asia, (Holy Land), India, Ceylon, Africa (Egypt), Oceanica, (Island of the Seas,) and Western America. Yet in all our great journey of 35,974 miles, we do not remember of hearing a piano or an organ sweeter in tone than Beatty's. For we believe we have the sweetest toned instruments made at any price. Now to prove to you that this statement is absolutely true, we would like for any reader of this paper to order one of our matchless organs or pianos, and we will offer you a great bargain. Particulars Free.

Satisfaction GUARANTEED or money promptly refunded at any time within three (3) years, with interest at 6 per cent. on either Piano or Organ, fully warranted ten years. 1870 we left home a penniless plowboy; to-day we have nearly one hundred thousand of Beatty's organs and pianos in use all over the world. If they were not good, we could not have sold so many. Could we? No, certainly not. Each and every instrument is fully warranted for ten years, to be manufactured from the best material market affords, or ready money can buy.

ORGANS Church, Chapel, and Parlor Organs. Grand, Square, and Upright **PIANOS** Beautiful Wedding, Birthday or Holiday Presents. Catalogue Free. Address

We Sell Direct to Families

AND MAKE IT EASY FOR YOU TO BUY OF US NO MATTER WHERE YOU LIVE.

Yes, my dear, my Marchal & Smith Piano is a beautiful instrument. The tone is so sweet and pure, the action so fairy-like, and the finish so elegant that not another thing can I wish for. I wrote to the factory, and told them just what I wanted, and they selected it and sent it to me for trial, agreeing to take it back and pay all the freights if I did not like it. But I could not be better suited if I had a thousand to choose from. My dear, when you want a Piano or an Organ send for their catalogue.

PIANOS $150 to $1500. | **ORGANS** $35 to $500.

CATARRH !

CATARRHAL DEAFNESS--HAY FEVER

A New Home Treatment

SUFFERERS are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks.

N.B.—This treatment is not a snuff or an ointment; both have been discarded by reputable physicians as injurious. A pamphlet explaining this new treatment is sent free on receipt of stamp to pay postage, by A. H. Dixon & Son, 337 & 339 West King Street, Toronto, Canada.—*Christian Advocate.*

Sufferers from Catarrhal troubles should carefully read the above.

"I advise all parents to have their boys and girls taught short-hand writing and type-writing. A stenographer who can type-write his notes would be safer from poverty than a great Greek scholar."—CHARLES READE, on "The Coming Man."

THE POPULAR SCIENCE MONTHLY.

ESTABLISHED BY EDWARD L. YOUMANS.

EDITED BY WILLIAM JAY YOUMANS.

THE BEST MAGAZINE FOR THINKING PEOPLE.

1891 *While continuing the well-known features that have made it valued and respected for nearly a score of years, THE POPULAR SCIENCE MONTHLY will soon begin the publication of a series of important articles on*

THE DEVELOPMENT OF AMERICAN INDUSTRIES SINCE THE TIME OF COLUMBUS.

Each article will be prepared by a writer of long practical acquaintance with his subject, and will be copiously illustrated. Among the early papers in this series will be **The Development of the Cotton Manufacture,** by EDWARD ATKINSON; **The Iron and Steel Industry,** by W. F. DURFEE; **Woolens,** by S. N. D. NORTH; and **Glass,** by Prof. C. HANFORD HENDERSON. Articles on the **Silk, Paper, Pottery, Agricultural Machinery,** and **Ship-building** industries are among those in active preparation.

Hon. DAVID A. WELLS on **Taxation.** A series of papers on *The Principles of Taxation*, based upon a course of lectures given by Mr. Wells at the invitation of the Faculty of Harvard University, will be one of the features of the coming year.

Dr. ANDREW D. WHITE'S **New Chapters in the Warfare of Science** will continue to appear from time to time.

The other contents of the magazine will be of the same general character and high order of excellence as heretofore.

With other illustrations, each number contains a finely engraved **Portrait** of some eminent man of science, with a **Biographical Sketch.**

There is hardly a question of the day upon which science does not throw light, hardly a problem of human interest whose solution cannot be best approached by the method of scientific research. The brightest minds have recognized that science furnishes the most efficient guidance in ordering the lives and affairs of men. No one who wishes to keep up with the knowledge of the time can afford to be without The Popular Science Monthly.

PAPER HANGINGS.

YOU are often disappointed with the effect on the wall of the Paper Hangings you have chosen. A pattern of one make is selected for the Side wall, a frieze and ceiling of another. The result is a patchwork of ornament that is very unsatisfactory.

All the Paper Hangings that are manufactured by M. H. Birge & Sons are made in Sets or Combinations; a Side-wall, a Frieze and a Ceiling pattern, all designed and colored by skilled interior artists, to harmonize and correspond. They are made as complete decorations, and by their use you can secure satisfactory and artistic interiors.

Ask your dealers for the BIRGE papers. Their name or trade mark is plainly stamped on each roll; or address factory at Buffalo, N. Y., or New York City Showrooms, 1155 Broadway, Rooms 4 and 5.
